For public viewing on our website, we have a Member's Cars page that only contains the member's name and photos of the cars. This public access page does not include personal information or even the member's town. Easiest way to get your pictures to us is to send an email with your pictures attached to the webmaster at [mick@mickbatson.com](mailto:mick@mickbatson.com). Larger photo files work best. Otherwise, you can bring your photos to the next club meeting or our Friday night show and loan them to us for scanning. The above information is requested for club use only. We publish a hard copy of the roster that is available only to members. We also include a password protected secure roster page on our website that only club members can access.

Initial club dues are \$25.00 per family. This gets you the membership packet, a club T-shirt, and a Past Pleasures Car Club decal for your car window. All memberships run from January through December for the year. Any new applicants joining after October 1st will have their dues credited for the following year.
